<sup>1</sup> Submit any photos you may want in the video farewell. No guaranty they will be included. Try not to send ones I already have of events. Send the funny or special ones that you took. Email the photos to [missdavison48423@gmail.com](mailto:missdavison48423@gmail.com) Title photo from which event it was from. Or save in folders and send link to folders to be downloaded and label folders by event. Include any photos of you little as a princess, Miss Davison princess, with a former Miss Davison Court, etc. that you may have.

Also each of the three of you send me an updated "bio" with 1 grade currently in school/college in fall, activities involved in, what majoring/plan to major in, where attending/plan to attend college.

<sup>2</sup> Program farewell message - approximately 200 words, 250 words max!

Onstage farewell speech length 1:00 to 1:15 minutes when read, approximately 250 words.

Talk to me about "breaking points" - This is not an exact timing, we need to check it, but it helps to have 5 sections or paragraphs. One for walking to the front (15 seconds) one for walking to the left (10 sec.) one for walking back to center (10 seconds) one for walking to right side (10 seconds) and one for walking back to the center where you end up. (15 seconds) It can be a little longer but not much. Practice reading it and timing it to make sure you can do in in the allotted time.

Prefer that the program one and the onstage one be similar but different.

In both thank court members, directors/committee, wish for or advice to candidates, new Miss Davison.

Can include things like anyone else want to thank, what being Miss Davison has meant, favorite memory, and/or inspirational message. Doesn't have to be exactly like prior years, can be different. Can watch last year's video for ideas (and for timing of the walk).

Both must be typed (not a screen shot) and can be in one document labeled program message and farewell walk and email to [missdavison48423@gmail.com](mailto:missdavison48423@gmail.com)
